17 April 1964

ADM-2.5

MEMORANDUM FOR: Assistant Director, ORD
Assistant Director, OEL
Assistant Director, OSI

SUBJECT: Request for Supplemental Funding in FY 1964

1. A presentation was made to the Executive Director-Comptroller and DIR/BPAM for FY 1964 supplemental funding of certain high priority activities which should be initiated in FY 1964.

2. Although there was no promise made that any supplemental funding would be made available to the DD/S&T, we have reason to believe that the request was received sympathetically and DD/S&T would be eligible for additional funds in the event these might become available.

3. It is again suggested that Offices complete to the greatest extent possible all processing of paperwork so that contracting negotiations by Office of Logistics can be initiated immediately after any additional funds are received.
